Chapter 1

Annabeth

(It had been 12 years since the war with Gaea) Posiedon=Percy,Athena=Annabeth

"Hey Mom" said Smantha.

Smantha is our 14 year old daughter who can apparently be a bit needy at times.

She had dark hair like Percy's until she decided to dye them red two years ago,her eyes were grey and stormy just like mine.

"Hey Smantha"Annabeth replied.

As I started getting out of bed Smantha stopped me.

"What's wrong?"Annabeth asked.

"Uh..nothing"Smantha hesitated.

Just then the door opened and Percy walked in,his dark haired all messy like he forgot to brush them this morning and his sea green eyes full with excitement.

Behind him followed our 10 year old son named Luke,he had grey eyes and hair coloured cinnamon blonde

Then came in our youngest daughter Ocean She was about 6 and a half years old with sea green eyes and dark hair.

"Breakfast in bed" He exclaimed.

It was blue waffles with blue coloured milk and blue eggs.

"Thank you"Annabeth said a little bit confused,"Sooo what's with all the morning parade?"

All of the kids expressions along with Percy's turned from stretched smiles to extreme shock.

"You seriously don't remember what day it is today?!"said a very shocked Luke.

"Erm..?"was Annabeth's very intelligent answer.

"Alright,we will help you remember"decided Percy.

"What month are we in?"asked Ocean.

"July"I replied .

"what date is it?"carried on Smantha.

"Errr...the 11th?"

"No,that was yesterday"Luke corrected.

"the 12"

"yes"

I was getting a feeling something important was today but I couldn't quite grab on to the event.

"It has four fables"Percy continued.

"Hap"

"py"

"birth"

"day"

OhohOH!!!!

It was my birthday!

I had been so caught up in my studies the past few weeks I hadn't quite realized what day or date it was.

Just then Smantha pulled out a wrapped up present.

"Happy Birthday Mom"she said merrily.

"Thank You dear"I said putting it aside to open later.

Then Luke handed me a gift not quite so wrapped up,it was a picture of him and me strolling along the beach and he glued some sea shells to give the affect.

"Thank You"I said and hugged him,he sort of hugged me back(did I mention he hates hugs).

Then walked up little Ocean who handed me a hand made necklace with lots of bits and pieces stuck together.I was touched.

I thanked her and gently kissed her on the forehead.

"I've got a little something"

"Oh you shouldn't have"I said while maybe blushing ,well,maybe you should have".

He tossed me some car keys.

"Happy Birthday Wise girl"Percy said while grinning.

"Oh my Zeus THANK YOU!!!!"

I jumped and hugged him so tight that he had to tell me that he couldn't breath.

I gave every one of them(including Percy) a kiss on the cheek.

I quickly ate my very blue breakfast,I got out of bed and picked the tray and headed for the door.

As I was about to pass through Percy blocked my way.

"And where do you think you're going?" he asked.

"To the kitchen".

"Oh no your not"

I smiled and said"you broke the kitchen sink again didn't you?"

"uhno"he replied wearily.

She just handed Percy the tray pushed him out of the door way and literally stampeded down the stairs.

As she approached the kitchen she stopped half way with the look of horror on her face.

The sink was broken,the oven was burning,the walls were covered with marks of blue,the chairs all fallen apart,the table upside down,the floor smeared with nutella. It was more than anyone could explain.

"PERCYYYYYYYY!!!!!!">:(
